

The Kitchen Workers' Keypain

Who's going to wash the floor?

There's coffee jelly in the dishes

Coffee jelly in the sink

There's jam spread on the kitchen tiles

and a wasp is in my drink!

Breadcrumbs on the counter

and a grasshopper's come in

Place it on a green leaf

entice it out the door -

Nearly slip on coffee jelly

Hey! Who's going to wash the floor?

Morrie Smith - Thanks so much, xx
